## Proverbs 18:15

**An intelligent heart acquires knowledge and the ear of the wise seeks knowledge.**

**The Governors are committed to supporting the school in its endeavours and to ensuring that this policy is achieved in the light of its vision,**

Derby Cathedral School is a community that welcomes students, families and visitors of all faiths and none. The diversity and richness of such a family brings depth and a vibrancy to our core. Underpinning and permeating our community are fundamental Christian values, of which we are proud. In line with the teachings of the Church of England we ask; "for individuals to be the best they can be".

We ask that all stakeholders of Derby Cathedral School uphold this philosophy through  
their ACTIONS,  
their ASPIRATIONS,  
and their ACHIEVEMENTS.

Through our curriculum, our enrichment opportunities, our pastoral House programme, our guidance and our role modelling, we aim to enable all members of our community to fulfill and exceed their potential.

### **Sickness reporting**

- 7.4. On their first day of sickness absence, all staff are expected to:
  - Make every effort to contact the Headteacher via phone, where possible, before 7am. The absence number is to be found on the reverse of staff i.d. badges.
  - Staff should contact the Headteacher or School Business Manager on each subsequent day of absence to confirm that they will not be returning that day.
  - On the eighth day of sickness absence, staff should obtain a doctor's certificate and submit this to the School Business Manager immediately.
  - If an employee repeatedly fails to report sickness appropriately, they will be subject to the school's disciplinary procedure.

- If an employee considers the illness to have arisen from an accident at work, they must notify the School Business Manager and complete the relevant form.
  - When an employee falls ill during the summer break, they must inform the appropriate contact to ensure that payroll is notified – this applies to staff on 52-week contracts only.
- 7.5. All staff returning from sickness absence have the opportunity to meet with their manager.
- 7.6. If the illness continues for an extended period of time, it is important that regular contact with the School Business Manager is established to keep them informed of progress – this will enable the school to support the employee’s recovery and return.
- 7.7. In certain circumstances, where long-term absence is due to recovery from an operation, maternity leave or a serious illness, a phased return to work that is mutually beneficial to the employee and the school may be negotiated.
- 7.8. In the case of serious illness, a referral to Occupational Health may be necessary to help ascertain the details of the illness and the length of sickness absence involved. Full information is provided in the school’s Staff Attendance Management Policy.

The school is responsible for employees' health and safety at all times during their employed hours; however, it is every employee's responsibility to work with due care and attention for themselves, their colleagues, pupils and any visitors to the school, and to ensure that health and procedures are followed correctly.

8.2. If employees feel at any time that there is a health and safety issue within their team, they must contact their line manager immediately. If no action is taken, or if they are dissatisfied with the response, employees should refer the issue directly to a member of the SLT as soon as possible.

8.3. In the event of an employee having an accident/incident during work hours which requires medical assistance, they should seek the nearest first aider (list available from the staff handbook and posted around the school). If the accident is serious and requires immediate medical attention, i.e. hospitalisation, they should contact the main office on 5717 immediately, who will telephone for an ambulance.

The fire alarm will then be sounded, and staff should immediately proceed to the nearest fire exit following the signs and notices in their work area. Staff should familiarise themselves with these procedures and the evacuation route from their work area.
- 9.2. As part of their job, staff may be allocated a role or emergency post to assist in these proceedings. Where an emergency post is allocated, staff should follow the instructions they have been given.
- 9.3. The emergency evacuation procedures are displayed in all rooms and will be fully explained by line managers.
